OLD BUSINESS

Polaris Swamp was cleaned up by Randy Pritchard and small crew went out and took care of taking down the signs and cleaning up club stuff.

Property on Wolf Lane, Jon dropped off the culvert. Also had 2 loads of shale dropped off. Jon talked with the guy doing the work along route 40 and he talked with the state and because the saltshakers are on the trucks, they can't deliver the millings. Spring when the trucks are setup for hauling, they will address this.

Nothing new on Whitney and Stevens. Jon said he was going to give Dennis Whitney a call.

NEW BUSINESS

Talking about the pancake breakfast and planning that. Parking for this needs to be resolved.
