Treasurers Report Accepted

Old Business

Jon talked with the guy that is going to be doing the repairs along route 40. He stated that he was a little behind and will be getting at it. He was going to touch base with the state about getting the materials dropped off so he can get that put in place.

The guy up on Wolf Lane is going to be moving the trail because of washout on the hill. Going to replace the iron bridge with culvert and Jon dropped that off to him. Also had some shale dropped off as well. Land owner is going to do the work himself and the club is going to cover the cost.

Dennis Whitney & Steves, no news on that.

#### New Business

Lost Polaris swamp due to new landowners and unauthorized land use. Nothing that the club has done. West Signs is going to be making a NO ATV beyond this point for Polaris Swamp. Trail will be closed at Juckets property.

All club property will be removed from Polaris Swamp.

Dick Myers property any issues should be reported to state police per Mike Irwin.

Miscellaneous chatter about trail repairs and possible new trails.
