Meeting Minutes

March 13, 2022

Meeting called to order by Jon Wood

Last month's minutes approved by Herb & Dick.

Treasures Report

There was no financial report from Mike Irwin. He never got back to Jon but said as far as he was aware there were no expenses.

OLD BUSINESS

Jon attended the Poker Run in Lake George and said that it was so disorganized, and they haven't a clue as to what they are doing, nothing but chaos. But they did have a fun time.

Jon spoke with Dennis Whitney, and he said that he would be ok with using shale for trail repairs. Also said that he has been talking with the farm department about drainage in the field and they said don't waste your time with putting pipe in but change the direction the field is being plowed. Not sure how that is going to affect the trails. He also talked with Joe Thomas, and he bought the property down by the river and he mentioned the club. He seemed receptive to using the property where Paquette's is but told Jon he would have to talk with him personally. He stated that he would probably be ok with using the trail to go get food. He had concerns about insurance and Jon cleared the air about how the club operates and our insurance. He had no idea about it. Waiting to get ok to ride.

Got an answer from a judge that we should continue with written waivers for the club and property owners' protection.

Talk about repairs to trail on Dennis Whitney & Steves property.

NEW BUSINESS

Decals of this coming season are being ordered, and dues are going to stay the same. Planning for the Pancake Breakfast for April 1st, 2023, where to park and ride depends on weather. The tentative location would be Roger's property.
